

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I wish to retain the services of my private ISP company and strongly object to considerations by your Commission to eliminate another small private business element of this nation. My company has successfully supported me for many years now and I, as an American citizen, desire to retain this privilege with companies such as my provider. Do not destroy the American way, deferring to big business and their impersonal ways.

Sincerely,

John Johnston
